

# Century II Parking

### Where 2 Park?

Century II Performing Arts & Convention Center is a unique municipal facility due to its distinctive architecture, its importance to the Downtown area, and the economic impact it has on the community. The ensuing mission of Century II is to provide an economic benefit to Wichita through its use as a performing arts and convention center.

Parking around Century II includes free and paid lots. In addition, there are other lots that are free for use on weekends and after 5pm on weekdays. Another convenience, the Q-Line, the Downtown trolley service, travels throughout Downtown, including right past Century II. Jump on the Q and Park 'n Ride.

### Q-Line

The Q-Line is a free trolley service operating during peak evening hours to connect you to restaurants, bars, hotels, museums and entertainment venues throughout Downtown Wichita.

There are designated Q-Line stops along the route, or you can catch the Q-Line at any intersection along the route. It's easy to flag it down. Simply locate the trolley as it approaches, then wave. The trolley will pick you up quickly at the nearest safe intersection.

Once on board, you can stop the Q-Line at any time by pulling the cord located near the windows on both sides of the trolley. To view the Saturday Q-Line Museum Route (Q-Line Route 2) please visit [parkdowntown.org](http://parkdowntown.org).
